## **Product Information Sheet**

COMMISSION DELEGATED REGULATION (EU) 2019/2015 with regard to energy labelling of light sources

Supplier's name or trade mark: EHEIM powerLED+ fresh plants

Supplier's address: Service, Plochinger Straße 54, 73779 Deizisau, DE

Model identifier: 4252021 - 487 mm

## Type of light source:

| Lighting technology used:     | LED               | Non-directional or | NDLS             |
|-------------------------------|-------------------|--------------------|------------------|
|                               |                   | directional:       |                  |
| Light source cap-type         | 24 V DC,          |                    |                  |
| (or other electric interface) | ausziehbare       |                    |                  |
|                               | Haltebügel,       |                    |                  |
|                               | Kunststoffadapter |                    |                  |
|                               | für T5/T8         |                    |                  |
| Mains or non-mains:           | NMLS              | Connected light    | No               |
|                               |                   | source (CLS):      |                  |
| Colour-tuneable light source: | Yes               | Envelope:          | -                |
| High luminance light source:  | No                |                    |                  |
| Anti-glare shield:            | No                | Dimmable:          | Only with        |
|                               |                   |                    | specific dimmers |
